ARTIFICIAL GRASS

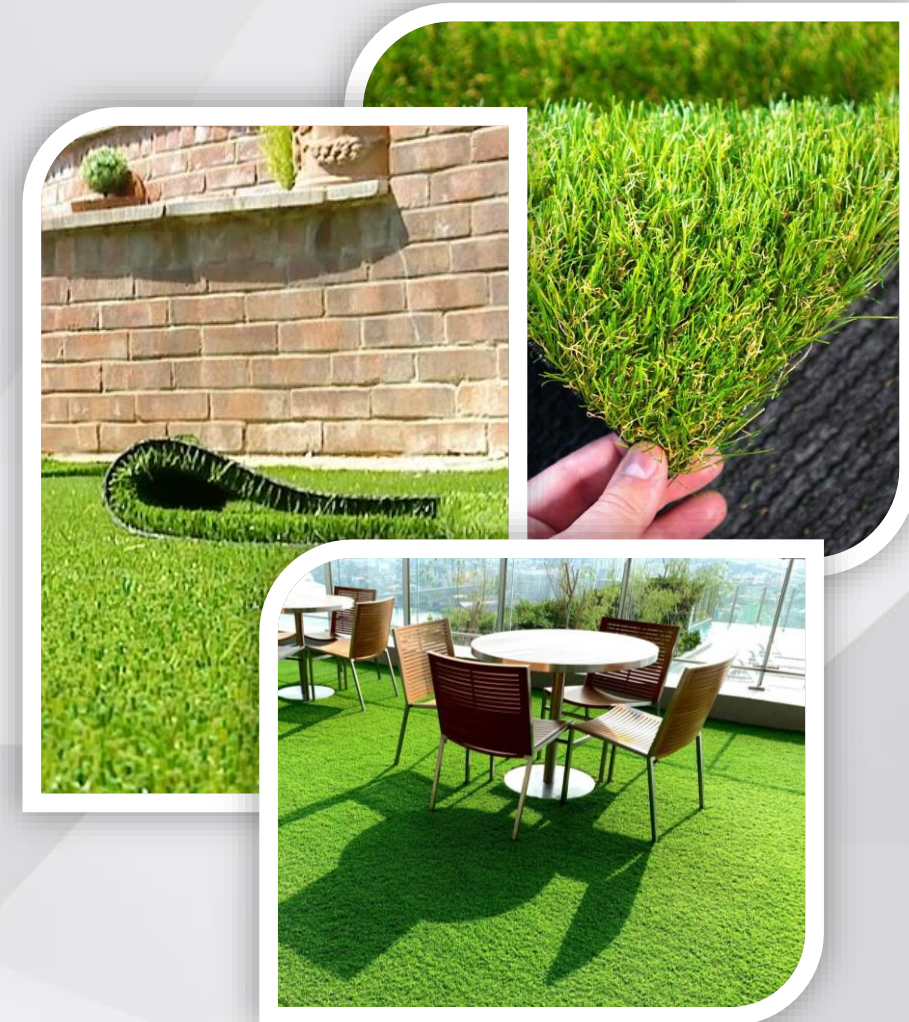

Transform your outdoor spaces with our premium artificial grass, offering a lush, natural look and feel with thickness options ranging from 25 mm to 50 mm.

Choose from vibrant 3-tone or 4-tone color variations that replicate the beauty of real grass, enhancing any landscape.

Our high-quality backing, made of PR combined with non-woven fabric and a durable SBR latex mixture, ensures long-lasting performance and easy installation.

Whether for a backyard, balcony, or commercial area, our artificial grass is designed to withstand the elements while providing a low-maintenance, green oasis all year round.

Experience the perfect blend of aesthetics and durability with our superior artificial grass solutions.

FLUTED PANELS

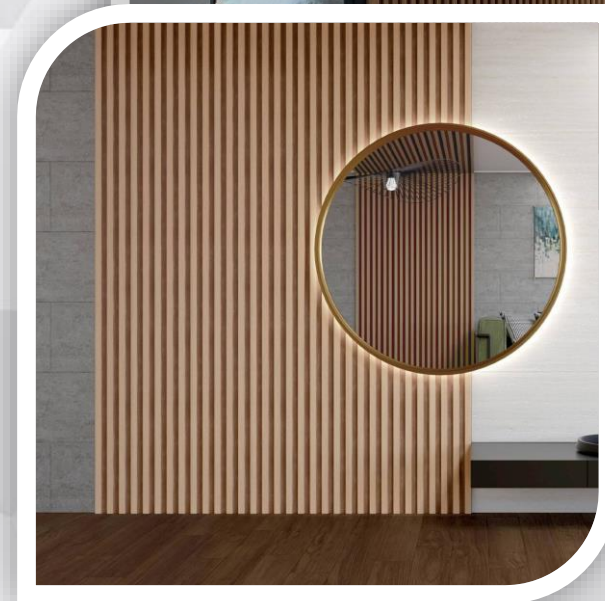

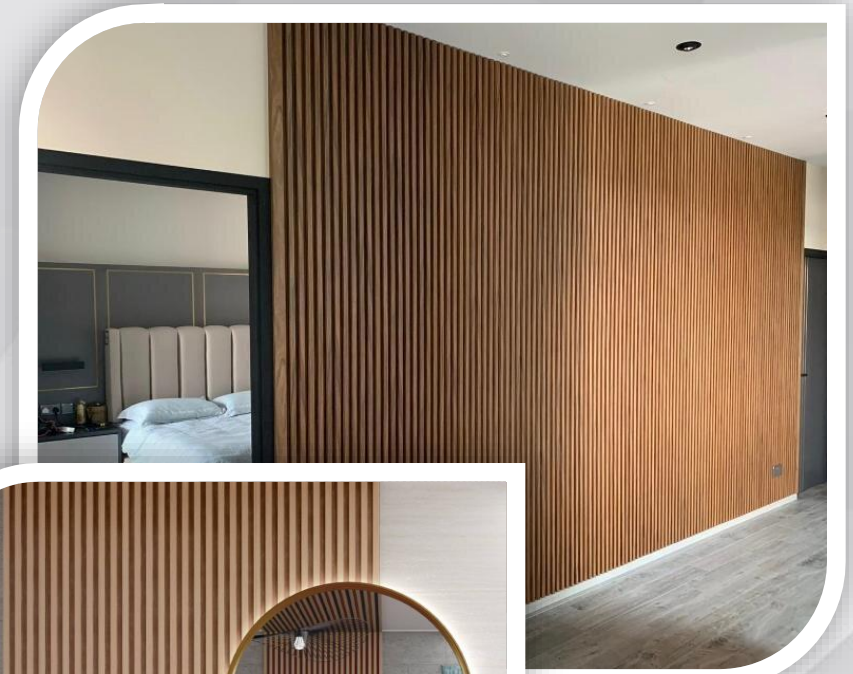

Upgrade your interiors and exteriors with our top-of-the-line fluted panels, designed for both beauty and durability.

These water-resistant panels are perfect for any environment, ensuring longevity and resilience against moisture.

With no volatile organic compounds (VOCs), they contribute to a healthier living space.

Our panels are also termite-proof, providing you with peace of mind and a lasting solution. Installation is a breeze, making it an ideal choice for DIY enthusiasts and professionals alike.

Invest in our fluted panels for a stylish, sustainable, and hassle-free improvement to your home or commercial space.
